DO WE HAVE A WINNER?

Sugar Hill residents playing BINGO for an End 68 Hours of Hunger fundraiser organized by Peter Mann and facilitated by Brewster students. Thank you Sugar Hill residents, Peter and Brewster for your support.

Coordinator's Corner

Notice the new logo for End 68 Hours of Hunger. We will ease into using it on all our messaging. Our new logo coincides with the hiring of Kate Roman, the new Executive Director of our National Program.

WELCOME KATE!

Thank you, Hancock Lumber

As Hancock Lumber celebrates their 175 anniversary, they have partnered with World Change to collect coins at all their sites. That effort has allowed them to donate to many nonprofits in their area. We thank the Wolfeboro Lumber Yard for choosing the Wolfeboro Chapter of End 68 Hours of Hunger as their nonprofit donation.
