All That's News  
**MARCH**

**Coordinators' Corner**  
Our Chapter has had a goal of feeding all our children in the summer as well as the school year. We found we were only able to reach a small percentage of them in summertime. Now, through an effort of key individuals in each town, we will be using pickup sites beyond just the school buildings.

We already have commitments from Town Libraries in Tuftonboro, Ossipee and Effingham to hold food bags for nearby children. Businesses are also offering creative ideas of new food distribution avenues.

We look forward to letting parents and children know that our weekend food bags may be within walking distance from home this summer.

**BAGS PACKED**

since July, 3,209

2/2	148
2/9	148
2/16	147
2/23	137

Total bags packed in FEB..580  
Ave. each week 145

**VOLUNTEER**

Hours	Miles
132	211

We appreciate all the advocacy that **End 68 Hours of Hunger** has had at local Town Meetings and the County. In one town an amendment from the floor requested an additional \$3000 and it was passed with positive comments from the voters. Thank you all who understand that children need food security to thrive.

**Ready, Set, Spring!**

Spring into the new season with a Fight Hunger Bag! This April, every \$2.50 reusable Fight Hunger Bag purchased at our selected Hannaford will send our organization a \$1 donation.

We receive \$1 for each bag purchased in the month of April!
