**Miles**

**177**

**433**

*Toothbrushes, toothpaste and dental floss were sent out in February to all children. Thanks go to Donna Cullen for bagging them and to Drs. Silva and Neale for their recent donations of the dental products.*

### Coordinators' Corner

As the uncertainty of food access for all escalates, we watch with concern as food programs for the poor are cut at the National and State level.

In particular three NH House Bills coming up for a vote soon deal with needy children's access to free and reduced lunch. One bill (since amended) proposes not requiring schools to provide lunch for half-time Kindergarten students. The other two bills deal with increasing children's access to free and reduced lunch and breakfast programs.

Log on to [nhhungersolutions.org](http://nhhungersolutions.org) to follow the issues affecting children and hunger in NH. Please let your NH Representatives know your opinions on childhood hunger, specifically here in NH.

We are especially thankful for the continued support of our donors and volunteers in these times.

Thank you to our volunteers who, each year, handcraft valentine cards to be sent home in the food bags to our children. Individual messages are created for each child.

Joan Scapicchio organizes and provides workspace and materials for the annual project. Pat Jones and Christine Japy, Rhonda Allen and Peg Mongiello created valentines this year.

*Peter Mann organized a Bingo event for Sugar Hill residents that raised \$700 for our local chapter.  
Thank you, Peter.*
