### *Coordinators' Corner*

Welcome to our new volunteer, Candy Sharp, who is delivering food bags this summer. She also has done all the graphics each year for our Labor Day Raffle. We all look forward working with you in the busy weeks ahead.

Our summer food program has expanded to 12 pickup sites in the towns of the Governor Wentworth School system. We thank the businesses, libraries, individuals, community centers, town offices, and fire stations that have created space for our crates of food.

Children ages 2 to 18 are welcome to take a weekly bag if they need food.

State and Federal legislation passed this week creates great insecurities for families in the months ahead. We are ready to help meet the needs for supplemental meals.
