

Thank you, Hobbs, and the airmALES Cornhole Club for your continued support of our chapter.

The North Conway Rotary Club packed 4600 meals for our chapter and donated through The Outreach Program that provides free dried food meals to the hungry throughout the world. Thank you, Club member Bob Younger, who made this happen for us.

Coordinators' Corner

We welcome new volunteers, Elizabeth Buehne and Jacinda Montegue. We look forward to working with you.

Our school year deliveries are off to a smooth start, thanks to the volunteers who now deliver to the schools. The mileage report has soared as a result!

The coordinators are busy attending commissioner, delegation, selectmen and budget committee meetings this time of year. The financial support from each helps us meet our needs and provides the towns and county with up-to-date information on our program and its positive effects for our children.
